It has been quite a privilege overseeing the creation of the 2002 Hilltop. The hours spent have been many more than I ever imagined and, at times, it has caused many more headaches than I ever wanted to have. I have had fun, though. I hope that this yearbook serves as a tool, assisting with the recollection of the important people and events that helped to shape your time here at Saint Michael's College. Photographs allow our minds to travel backward through time and experience, again, the joy, the laughter, and the excitement of being a college student. Always hold your memories close to your heart and never forget those who helped mold you into the person you are today. I wish you the best of luck, Class of 2002. Always live life to the fullest, reach for the stars, and fly like an eagle. Once in a while, however, take this yearbook off the bookshelf, wipe the dust off from the cover, and spend a few moments back at Saint Michael's as a college student once again.

Peace & God Bless,

Special thanks go to all who assisted with the making of this 2002 Hilltop. The following list includes active Hilltop staff members and other helpers who volunteered their time freely to create a book that will be treasured by the Class of 2002 for years to come.

The Graduating Class of 2002 Dedicates the 2002 Hilltop to ...

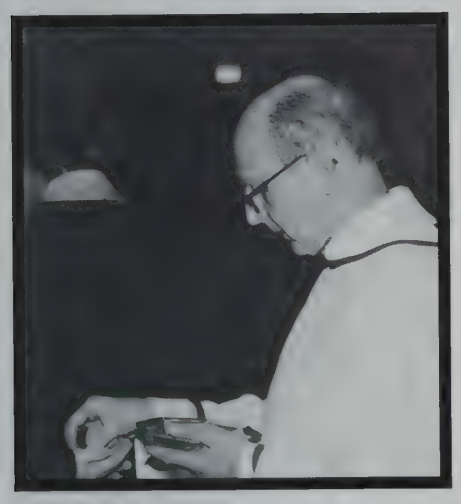

Reverend Richard L. VanderWeel, S.S.E

"But how shall they call on him in whom they have not believed? And how can they believe unless they have heard of him? And how can they hear unless there is someone to preach? And how can men preach unless they are sent? Scripture says, *'How beautiful are the feet of those who announce good news'"* *-Romans 10:14-15*

In recognition of his fostering Edmundite ideals and values in the classroom and throughout our campus, we, the Class of 2002, dedicate the 2002 Hilltop to Father Richard L. VanderWeel, SSE, Ph.D. Father VanderWeel combines his love of philosophy with his unique sense of humor to create a distinctive learning experience. His innovative teaching methods give understanding to even the most complex philosophers. His 1958 yearbook notes Father VanderWeel's "salubrious laugh." This laugh has been heard echoing down the halls of our buildings for nearly forty years seeking the humor to be found in philosophy, in himself and his students; indeed, in life. He has been a mentor to junior faculty, a source for spiritual guidance, and a genuine embodiment of the Edmundite ideal, expressed in the order's first rule which states, "Our love must extend to all and in some way embrace all."

In his dedication to teaching, through participation in the LEAP Community, and through his presence on our campus, he has embraced us; and following the mission of the College, Father VanderWeel has, in his own humble and often eccentric way, called us all to follow this rule.

- C.R. Lyons, '02

Good evening family, friends, faculty, staff, administration, and the graduating class of 2002. As editor of the 2002 Yearbook it gives me great honor to stand before you tonight and award the Dedication of the 2002 Hilltop. This award is given to the individual who has in some way touched the hearts and souls of the graduating class and is the result of a class vote.

It is my sincere pleasure, on behalf of the graduating class of 2002, to present the 2002 yearbook dedication award to Reverend Richard L. VanderWeel, SSE…

Father Richard L. VanderWeel, S.S.E. was born November 25, 1935 in Dunkirk, New York. He graduated from Saint Mary's Academy in 1953 and then received a bachelors degree in Philosophy summa cum laude in 1958 from Saint Michael's College.

He entered the Edmundites in 1955 and took his first vows in August 1956. His ordination occurred on May 31, 1962. The end of this month marks his 40th anniversary as an Edmundite priest.

All of Father VanderWeel's apostolic work has been at Saint Michael's. He began teaching in 1963 and has since remained a full-time professor in the Philosophy department. His charismatic teaching style has always helped him to be a favorite among students. However, his demanding expectations of his students have helped earn him the nickname "VanderFail" over the years.

Besides interacting with students in the classroom, Father VanderWeel has been actively involved in the LEAP Student Retreat program. He is always so easily able to apply the depths of our faith to practical everyday life situations. His homily during the Baccalaureate mass was one such example of this ability.

It seems only fitting that Father VanderWeel receive this yearbook dedication during the month of the 40th anniversary of his ordination, and at the conclusion of his final semester as a full-time professor at Saint Michael's College.

Give Us Peace

9-11-01

Please God, give us peace today.
Senseless violence and loss of life.
CNN images that look more like Hollywood
than anyone's reality.
Please God, give us peace today.
Help our better selves to emerge.
Let our anger give way to thoughtful compassion.
Help our fear to be mitigated by reason and love.
Please God, give us peace today.
When we are lost we often turn to you.
Help us to understand that
deliverance from hatred is not a solitary venture.
Help us to work collectively in your loving direction.
Give us strength and courage in this time of need.

Please God, give us peace today.

On Eagles Wings

You who dwell in the shelter of the Lord,
who abide in His shadow for life,
say to the Lord: 'My refuge,
my God in whom I trust!'

And He will raise you up on eagles' wings,
bear you on the breath of dawn,
make you to shine like the sun,
and hold you in the palm of His hand.

The snare of the fowler will never capture you,
and famine will bring you no fear:
under His wings your refuge,
His faithfulness your shield.

And He will raise you up on eagles' wings,
bear you on the breath of dawn,
make you to shine like the sun,
and hold you in the palm of His hand.

You need not fear the terror of the night,
nor the arrow that flies by day;
though thousands fall about you,
near you it shall not come.

And He will raise you up on eagles' wings,
bear you on the breath of dawn,
make you to shine like the sun,
and hold you in the palm of His hand.

For to His angels He's given a command
to guard you in all of your ways,
upon their hands they will bear you up,
lest you dash your foot against a stone.

And He will raise you up on eagles' wings,
bear you on the breath of dawn,
make you to shine like the sun,
and hold you in the palm of His hand.

Student Life

Orientation 2001

Three-legged races, summersaulting down the 300's field and shoe-scrambles aren't the typical activities you'd expect to find St. Michael's students engaging in. However, first-year students enjoyed these events and many more during fall orientation 2001 that had the theme of *Hollywood Knights*. Relay races were just the begining of the fun during the the two-day orientation. New students had the opportunity to see a hypnotist, assemble in the gymnasium to hear a "welcoming speech," talk with upperclassmen and teachers, and make new friends.

Hollywood Knights

Each year, the Student Activities office selects upperclassmen to serve as Orientation Leaders. It is their enthusiastic and outgoing behavior that helps the first-years interact with their classmates. Whistles blowing, they lead the first-years through many events. We would like to thank all those leaders for their time and leadership because without their support, Orientation would not be the success that it is.

Spring Break

Extended Service

Instead of sleeping in late and lounging in front of the television, more than 100 St. Michael's students and faculty spent time during their vacations volunteering at different sites around the country, and outside the U.S. in Haiti. Volunteers participated in various activities, from serving community members at local soup kitchens, and teaching school children, to preparing meals for AIDS patients and building houses for impoverished families.

Pontigny Heritage Trips

May and June of 2001 approximately 40 Saint Michael's faculty, staff, alumni, and students explored the historic roots of Saint Michael's with a trip to France. These annual trips allow for a spiritual connection with the rich and sacred history of Saint Michael's College. While in France the "pilgrims" visited small villages and many historic sites including Mont Saint Michel, Saint-Malo, Flavigny, Chartres, L'Abbaye de Pontigny, Vazelay, Chablis, Noyers, Normandy, and Paris.

To the Class of 2002:

First and foremost, it is with great pleasure that I congratulate the members of the Class of 2002 on their many achievements, made possible by their hard work, commitment to education, supportive relationships with each other and a genuine desire to succeed.

May 12, 2002

To my friends in the Class of 2002,

As I prepare to walk across the dais, receive my diploma, and leave one home for another, I am glad to have the opportunity to share with you a piece of great advice that someone once shared with me. The advice is to always take the time to reflect and remember.

It is important for us to take the time to reflect and remember today and everyday because our lives change with every decision that we make. It is particularly important that we reflect and remember today, because the life we have lived for the past four years, that of an undergraduate student at Saint Michael's, ends today. As you leave Saint Michael's and venture forth into the world that surrounds us, I ask that you reflect upon and remember this:

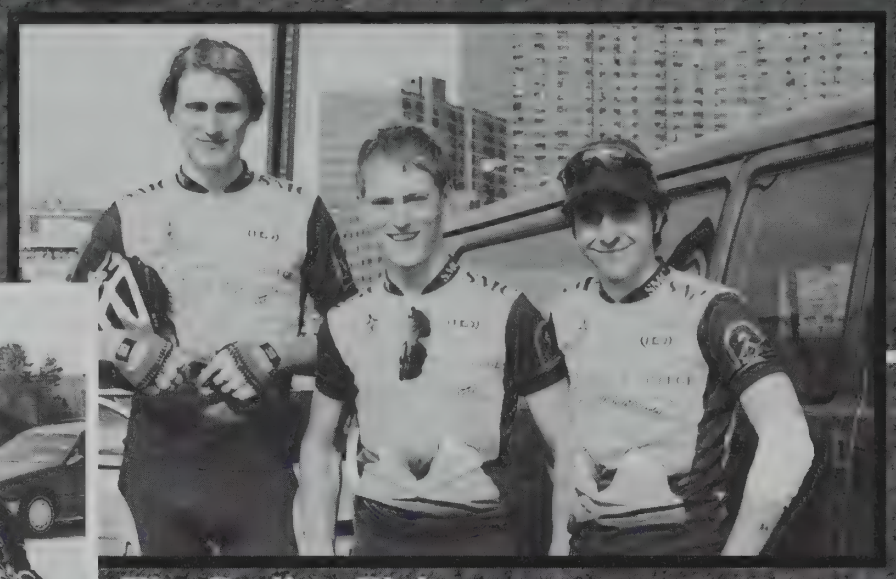

> Remember why you came to Saint Michael's: to grow physically, spiritually, morally, and intellectually in the Edmundite learning tradition; you are a different person today than you were four years ago.
>
> Remember all that you have learned, both inside and outside the classroom, from your interactions with the faculty, staff, students, and administration, as well as from your course texts, world events, and personal experiences.
>
> Remember the mission of Saint Michael's and recognize the importance of "respect for human dignity…the development of moral character…a commitment to service…and the value of community."
>
> Remember that your education does not end today, but that you are a lifelong learner whose skills have been honed by some of the best people in academia.
>
> Remember that the gift of a Saint Michael's education exists not only within your mind, but also within your heart; share it with others always, wherever you may go.

Thank you for helping to make Saint Michael's the institution that it is today. Go forth, be healthy and happy, but most importantly reflect and remember.

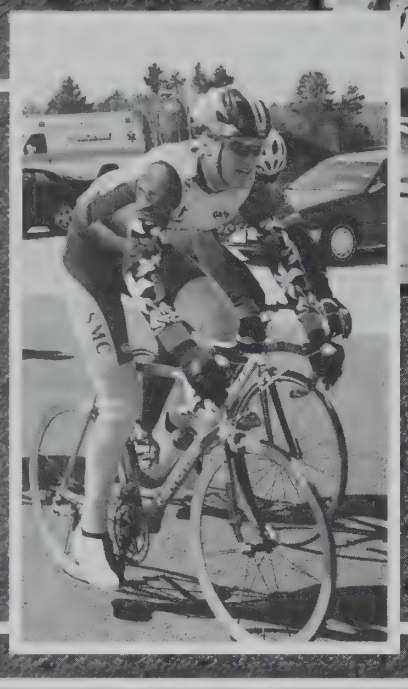

Sincerely,

Matthew R. Colby '02
Student Association President

Clubs

The Cycling Club

The Cycling Club is designed to give competitive cyclists the opportunities to race in collegiate mountain bike, cyclocross and road races. The club also tries to involve students who want to ride recreationally or simply learn more about the sport. Thanks to the Student Association's finicial support, members are able to ride, race and organize other activities at minimal costs.

WWPV

WWPV has had one of its best years yet, consistently having quality programming and the best group of DJs ever. They've sponsored four shows for the community over the past four months including the Seth Yacovone Band, Raq, The Static Age, and 30 Stones. Recently, the SA has purchased a new FM prossesor for WWPV which allows for louder and crisper broadcasts. WWPV also had success with its webcast, which is available at http://personalweb.smcvt.edu/wwpv and has undergone a complete website revamping.

The Founder's Society

The Founder's Society works with the Admission Office and the Office of Alumni and Parent Relations to provide information to prospective students and networking opportunities for current students. Their major activities include giving tours, calling accepted students, and hosting accepted students. Chances are provided for current students to meet working alumni in order to establish connections to assist with finding jobs after graduation. The Founder's Society gives students a chance to be leaders and ambassadors in the Saint Michael's community.

The Science Club

The Saint Michael's College Science Club allows the opportunity for students of all diciplines to become involved with, aware of, and more appreciative of the field of science. In the past the club has offered numerous outdoor-based activities, such as Camel's Hump hike and Keeping Track snowshoe trip, as well as a lecture series encompassing a wide range of current scientific projects. Professor Peter Hope continues his legacy as the advisor of the Science Club and several other Biology Department faculty members have become involved over the course of the past several years. The Science Club remains a low-maintenance organization that, in turn, has high participation levels.

The 2001 Men's soccer team began the season with high hopes. In an up and down season, the Knights had some exciting wins and disappointing losses. Coach Kaleita said of the team, "They're a special group of people who changed the direction of the program through their dedication, expectations and cohesion". The future is bright for the soccer program with many returning to fulfill leadership positions and the expectation of recruits being even better each year.

Overall Record: 7-11-(

The Women's soccer season was a winning team. They set a couple of records: tied for the most wins during a regular season and this year was the first time in SMC history to have back to back winning seasons. This made Coach Choquette the highest winning precentage coach. The year groomed many young players for the future. Coach Choquette states of the future, "Our hope is the shatter every women's soccer record at SMC in the Fall of 2003".

Team Roster (in no particular order) :Becky Millington, Karen Bocchi, Meghan Segar, Abbie Bartlett, Serena Rowe, Katie MacElroy, Colleen Fitzgerald, Chrissy Daly, Courtney Breen, Allison Stebe, Jessica Simmons, Debbie Gallant, Angela Potts, Kari Surace,Betsy Turcot, Jennifer Gray, Alexa Huckins-Noss, Jilby Danis, Jess Brown, Whitney Christmas, Julie McCloskey, Linette Letendre, Sarah Hunt, Juliet Rose, Nicole Manchisi, Jess Anderson, Julie Teach, Meghan Scalley, and Tamsen Hunter.
Head Coach: Carla Hesler.

"Being a member of the SMC field hockey team is an honor. The pride and determination to succeed lies in the hearts of players, coaches, and super-fans alike. Led by a brilliant coaching staff that demands dedication, unselfish play, and commitment to be your best in practice as well as games; combined with the pure passion for the sport from players, makes for a successful team. Teammates are not just teammates, they are: friends, sisters, confidents, motivators, competitors, and the reason why we spend time greuling in the sun or the snow. In ten, twenty, thirty years, I will look back on my experience with the SMC field hockey team and remember something almost magical that took place. I will always feel a longing for "one more game." One more chance to spend time playing a sport I love with people I love; there is really nothing quite as satisfying."

The Road Not Taken

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth.

Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same.

And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I—
I took the one less traveled by,
And that has made all the difference.

In Colchester, Vermont four years were ahead,
At a place called St. Mike's, so the sign said.
You tackled this adventure without too much fright,
Even dining at Alliot was almost a delight.

A lot of hard work and much fun if you may,
Have brought you to this special of days,
And now we'd just like so very much to say,
"We're extremely proud of you in every way!"
